Continuity of Learning

- Attached is a memo from our CISPG Superintendent regarding the five-stage strategy for re-opening some in-class instruction in BC schools.
- Thank you for your patience and support for the class Zoom meetings, and the learning packages being sent home. There have been a few technical glitches but routines are getting established and everyone seems to be enjoying the online meetings. As always, please do what you can in terms of schoolwork, and contact your child's teacher with any concerns or questions.

Important Website Links:

The Ministry of Education has established a website called “Keep Learning” for parents and caregivers to access a variety of resources to help support learning at home. The website address is: <https://www.openschool.bc.ca/keeplearning/>

<https://annunciationschool.weebly.com/> This site contains links organized by grade. In the coming weeks, teachers will give further directions on which online programs are most relevant to current learning topics and skills. For now, there are many links posted for families to just explore as desired.
