## IMPORTANT REMINDERS:

- School office hours will be 8:30am through to 3:30pm, Monday to Friday (last week's times were in error).
- **Student entry into school will continue to be between 8:40am and 9:00am for all students.**
- **All students will continue to be dismissed into the laneway at 3:00pm.**
- Teachers will provide a list of supplies that students will need to bring to school.
- Students need to be able to work independently, and have all snack/lunch items 'ready to eat' (no microwaves are available), plus a personal water bottle.

Thank you, Parents and Students, for your cooperation and quick adaptation to the new procedures at school. This has been a very smooth week! Staff have enjoyed having students back in class, and the school building is once again lively with laughter and voices. We are working hard at practicing physical distancing, both in the classrooms and during outside activities.

## Continuity of Learning

- The weekly learning plans will continue to be sent home. All students are working on the same lessons, whether they are at school or home.
- Zoom online meetings will still be scheduled for students who are working at home.

## Important Website Links:

The Ministry of Education has established a website called "Keep Learning" for parents and caregivers to access a variety of resources to help support learning at home. The website address is: <https://www.openschool.bc.ca/keeplearning/>

<https://annunciationschool.weebly.com/> This site contains links organized by grade. In the coming weeks, teachers will give further directions on which online programs are most relevant to current learning topics and skills. For now, there are many links posted for families to just explore as desired.
